

March 3, 2022

To my distinguished State elected House and Senate official representatives,

I am writing to express my 100% unwavering support for the following bills:

Senate Bill: S.B. No. 184, An Act Extending Through November 8, 2022, Several Changes Regarding Election Administration as a Result of Covid-19 and Concerning Eligibility to Vote by Absentee Ballot.

House Bill: H.B. No. 5262 An Act Revising Certain Absentee Voting Eligibility Statutes.

Given the fact that we live in a glorious democratic republic, known as the United States of America, I fully support the passing of these two very important pieces of legislation, because access and ability to vote should be made accessible and to all CT US Citizens, as that is what it means to be a citizen as well as one of our most important civic duties.

Thank you for your consideration of my testimony in support of the above.

Sincerely yours,

Nicole Klein
